Meeting called to order at 1:05

II. Approval of October Meeting Minutes

Motion to approve by Ted Rohloff, 2nd by Allen Davis

III. NewWaterWisconsin.org website – Jessica

We reviewed the website and made suggestions. The committee agreed they liked the direction “under construction” was going. Committee members are encouraged to visit the site and email Jessica changes or suggestions they would like to see.

IV. UW-Extension Update

Committee decide to go forward without the help of the extension and create a document including - detention basin, biofilter, grass swales, 1 page informational piece for end users. Jessica will look at the OM document – Nick suggested to include what it is, why it there, they are responsible for maintaining it or they will be responsible to pay for maintenance, if you want more information on how to maintain it – contact your local municipality. Sean suggested that Griffon, GA may have information to use.

V. Erosion Control Spring Training

There will be erosion control training offered at the Fox-Wolf spring conference. There is an opportunity to receive grant money through GLRI, committee decided to put in a preproposal for the grant for a 2011 erosion control conference 1 day training, including bus visit to sites. Training for municipalities, inspectors, contractors ~ plan for 200 people – plan for 600 mailings. Possibly sports personality to get people to come in. Contact the Radisson for pricing. James will forward pricing for busing. Jessica will add dollars to the grant request to account for hours for planning / coordinator.
