

**Erosion Control Committee Meeting Agenda**  
**Tuesday • May 25, 2010**  
**1:00 to 3:00 p.m.**  
**McMahon & Associates**

**Attendees:** Mike Liebman, Jeremy Freund, Bob Schmeichel, Ryan Swick, Pat Kuehl, Ted Rohloff, Mike Liebman, Keith Marquardt, James Rabe, Matt Heckenlaible

**Minutes taken by:** Jessica Schultz – NEWSC Coordinator

**I. Call meeting to Order**

**II. Approval of February Meeting Minutes**

Motion to approve minutes made by Mike, 2<sup>nd</sup> by Nick, Minutes were approved.

**III. Erosion Control / Post Construction – Future of the Committee**

**A. Discussion of reasons for 2 committees**

- Model Ordinances
- NR 151 (going to the board in June - post construction) & NR 216 (Future - During construction) - we will need to relook at the manuals
- NR 528 (complete)– streamline pond dredging, vegetation maintenance, pond maintenance in general, RFQ (request for quotes),
- 2011 Erosion Control Training
- Problems with Erosion Control education – getting contractors/sub-contractors to follow through with the BMPs... how?
- Video clips for BMPs

**B. Committee Chair & committee member break outs**

- **Bob Schmeichel** has volunteered to be Post-Construction Committee Chair  
The committee voted unanimously to elect Bob chair.  
Keith Marquardt, Brian Wayner, Mike Leibman, Patrick Kuehl, Sue Olson, Matt Heckenlaible will join the committee.
- **James Rabe** will continue as Erosion Control chair until a replacement is found.  
Ted Rohloff is interested in being co-chair (Jessica & Matt will check to see if there is room on the LC for a committee co-chair)  
Ryan Swick, Jeremy Freund, Nick Waldschmidt will join the committee.
- There may be others from the IDDE committee, other committees or inactive members who will join either committee.

**IV. 2010 Work Plan – Broken out into E/C and P/C**

**Erosion Control**

I&E info pamphlets  
Create Erosion Control BMP pamphlets  
Plan for Erosion Control Training  
CPESC Certification  
Model Ordinance Guide for 151

Model Ordinance Guide for 216  
Summarize Rule Changes

**Post Construction**

Finalize OM plans  
Create I&E Info pamphlets  
Model Ordinance Guide for 151  
Model Ordinance Guide for 216  
Model Ordinance Guide for 528  
Sediment Manager Training  
Summarize Rule Changes

**V. Status of Completing tasks within the 2010 Work Plan**

James will review OM document one final time.

**VI. BMP fact sheets (Which are E/C and which are P/C?)**

The committee took the BMP fact sheets that Jessica had received permission to use from Claremont County, OH. They will use these as a basis for creating their own I&E pamphlets for both Erosion Control & Post Construction. Jessica will research other options, including Maryland, EPA and Center for Watershed Protection.

**VII. Other Topics**
