

NEWSC Storm Sewer System Map Inventory (2005)

Completed By:

Community Name:

How to Use This Inventory:

- Is the item mapped? Y(yes) or N(no)
- What format is it in? If your format is not listed, please list in last box
- Who provided the map? (an internal department, the county, a consultant)
- When was the map last updated?
- Who is responsible for updating/maintaining the map?
- Is the map updated regularly? (Y/N) How often?

See the example below on how to complete the inventory.

Please fill out this inventory to the best of your abilities. If you have additional information that could provide useful, include that on a separate sheet. Complete this inventory or find it on the NEWSC website at www.newsc.org. To log onto the member area: username = admin and password = newsc (note both are case sensitive and should be all lower case).

When completed please return to NEWSC at P.O. Box 1861, Appleton, WI 54912, fax to (920) 722-2154, or e-mail it to newsc@fwwa.org. Contact Sindee Kleckner at (920) 722-2153 or newsc@fwwa.org with any questions. Your cooperation and participation are appreciated.
